

Mark your Calendar for Tuesday, February 28th to attend the Day at the Roundhouse with your NAIFA NM colleagues. During this 60 day session that began on January 17 and ends on March 15, there are bills that affect you and your clients. Our Government Relations team is following those bills and will be reaching out to Legislators who are sponsoring them. Please become a volunteer for this short period to educate yourself and assist as a resource when we go to Santa Fe on the 28th. Contact the State office if you can assist. naifanm@outlook.com or call 505-238-5608.
